Bryson
PATHWAYS

20.05.2026

Dear Member,

We are writing to inform you that, following a detailed review of the service and ongoing financial pressures, Bryson has taken the difficult decision to close the Bryson Art & Play Scrap Store.

This decision has not been made lightly. However, due to significant financial increases including staffing, energy and property costs, alongside reducing membership and grant income the service is no longer sustainable in its current form. We fully recognise the value that Art & Play has brought to members, families, schools and the wider community over the years, and we would like to sincerely thank you for your support and engagement.

The final day of trading will be Friday 20th June 2026.

All membership payments will be refunded on a pro rata basis, and further information regarding refunds will be communicated directly to members over the coming weeks.

We appreciate that this news may be disappointing and we would like to thank all members for their continued support, creativity and commitment to the service throughout the years.

Yours sincerely,

Sally Smyth
Head of Operations
Bryson Pathways
