

Montestarry Night

Friday, December 1, 5-7 pm MCS Campus

A brand new event for MCS, we're excited to bring you Montestarry Night! Bring your camping chairs and join us on the Sport Court as a representative from the Morehead Planetarium guides our eyes to the skies. There will also be arts and crafts, a scavenger hunt, s'mores by the fire, and more!

The FSO will have a bake sale, and the Adolescent Community will have hot chocolate, hot cider, decaf coffee, and hot tea available.

Be sure to bundle up!

Please RSVP here so we can assess our numbers and prepare.
