

2023 Summer Athletic Camps - Policies and Procedures

Participant Eligibility

Maine West H.S. students, registered incoming Freshmen, and middle school students from our feeder districts may participate in the MW Summer Athletic Program. Grade/age level is often designated in the title or description of each camp. Grade level is defined as the grade the student will enter in the fall. For any student, participants must live in the Maine West attendance area to attend an athletic summer camp at Maine West.

Registration

1. All registrations must be done online. Registration is available at: <https://mainewest.8to18.com>
2. If families choose to use a credit card, the company will charge a small fee. Otherwise, payment can be made via an electronic check (with bank routing and account numbers) for a smaller charge.
3. Registrants will get an email confirmation immediately after registering for camps. If you do not receive a confirmation email, registration is not complete.
4. If you use a credit card, it will be processed immediately.
5. If you are paying by cash, **FOLLOW THESE INSTRUCTIONS:**

Register on-line as if you are paying with credit, debit or an e-check. When you get to the payment portion, click on the “**Alternate Payment (CODE)**” button.

On the next page, please type in **cashpayment** (no capitals, no spaces), and in the comment area below that, type in **CASH PAYMENT**. You will then receive instructions on how to make a cash payment at Maine West. **The cost must be paid in full before the start of camp. Unfortunately the district is not supporting payment plans.**

Fee Reductions

The district does not provide reduced camp fees for athletes who receive free/reduced lunch, or any other athletes. The camps are not set up to pay for prorated, selective dates. The payments are for the camp fees, and not for daily fees. Please contact the program head coach for specific conflicts, questions, and/or concerns related to multiple camps/vacations/travel/other calendar issues.

Refunds

Full refund of all fees will occur if a camp is canceled. Full refund minus the processing fee (\$10) will be granted if the refund is requested up to 24 hours prior to the start date of the camp. **NO REFUNDS CAN OR WILL BE GRANTED AFTER A CAMP HAS BEGUN.** Please help us by informing us of cancellations at the earliest possible time.

Insurance Requirements

Accident insurance must be provided by each participant to cover any and all injuries/accidents that may result from practice, competition, or any activity related to participation as part of this program. Please complete the insurance information/confirmation during registration.

[Student Accident Insurance is available for a small fee as well.](#)
[Information available through this link or on the MW Athletic Web Page.](#)

Summer Camp Registration Questions: 847-803-5905, email is preferred: esfondouris@maine207.org

Please call this number and leave a message for any question regarding registration. **Please contact camp COACH to find out if a camp will be canceled due to weather.**

[Entering the Building/Parking \(MAP\)](#)

Weather Cancellations

Any cancellations/changes due to weather will be communicated through the coaches of the program. *While the athletic office will not be able to provide weather related information, each camp will have*

their own communication for cancellations. Camp dates will not be made up when canceled due to weather.
