

Wildcat Weekly Words of Wisdom December 12 - 16, 2022

As most of you know, Collegeville has been awarded the honor of being a **Capturing Kids Hearts National Showcase School** for the past three years. Capturing Kids Hearts is a Social and Emotional Learning platform that focuses on the *whole* child, knowing that all those pieces contribute to a child's success in school. We take this honor very seriously and work hard to embody all that CKH stands for. We call it the #WildcatWay.

Each year we are asked to complete a *faculty survey*, a *student survey*, and a **parent survey** to assess our strengths and weaknesses as a Capturing Hearts Showcase School. As the building leader, I look forward to this data each year, and always appreciate honest feedback that can help us improve in any way.

Please click the following parent survey link to share your understanding and knowledge of CKH and the environment at Collegeville. It is very short and will only take a few minutes, but is so important to us!

Surveys are due by December 22, 2022. Please reach out if you have any questions, or need clarification on any portion of the survey. We understand the impossibility of doing our job without the support of our families and we appreciate all you do, every day.
