

The district has received a generous donation of meal- ready bags - complete with all ingredients to make homecooked, nutritious family dinners.

These meal kits are heavy- some containing glass jars of sauces, vegetables, etc. They can't be sent with students.

There will be a pick-up for anyone interested on Tuesday Nov 18, 2025 at 4:00 in the elementary lobby. Please wait until 4:00 to arrive, as to not interfere with dismissal.

If this time does not work, or you don't have the means to pick-up, please contact Jaclyn Cooper at (724) 667-7782 ext. 1102 to make alternative arrangements.

All names will remain anonymous.
Please consider a meal for your family or another in need.
