

**NOMINATION DOCUMENT TEMPLATE** (to be downloaded, filled in and provided as one attachment with the online submission form).

**Name of the nominated Project:**

<TEXT HERE>

**Section A:**

*Table of all contributing team members (add rows as needed)*

*We remind the nominator to ensure all under-represented groups are given appropriate credit for their contributions.*

First name	Surname	Email address	Primary institutional affiliation (if appropriate)	Contribution roles (describe in a few words)	Approval for the name and affiliation to be publicly listed as a project team member [YES/NO]

**Section B:**

*Description (maximum 500 words) of why the Project is deserving of a SORTEE Commendation Award. This may include showing how the project goes beyond simply implementing current scientific practices or processes, and its actual impact on any scale.*

<TEXT HERE>

**Section C:**

*Evidence supporting the project (maximum 2 pages). This section can contain copies of photos, websites, teaching/outreach materials, news and social posts, recommendation letters, repositories, preprints, or links (accessible to adjudicators through URLs / DOIs) to any additional documents evidencing the project.*
