

Nael (starcrossedsky) helped me find about half of these, and, yeah, the chapter title gimmick is “phrases from those mommy blog recipes that spend half the update talking about their lives but all the recipes are soup”.... Nael focused on chicken noodle but i ended up finding a bunch of others elsewhere,,,

Ones i haven't used yet i am definitely hoarding for later projects lmao

You make sharing my life worthwhile.

You are the stupidest person in the whole wide world.

I'm a very busy person, as you can imagine.

it opens up infinite possibilities to all of the variations you can make.

It satisfies your soul and **can warm you to the core on a bone-chilling day.**

Okay fine, I might be a little obsessed.

I don't know. It's not a problem, okay? It's just... a love.

the evergreen trees are covered with snow

I know you want to hate me. But you do not hate me
