Freading on a Desktop Computer (Mac or Windows)

In order to download Freading eBooks, it is necessary to have Adobe Digital Editions installed into your computer. Adobe Digital Editions is a free software that enables you to read the Freading eBook downloads, and it also stores and organizes the downloads, at least on a computer.

You no longer need to have an Adobe Account. Once the Adobe Digital Editions is downloaded to your computer, you will authorize the application using Freading as the eBook Vendor. Select Freading from the drop down menu:
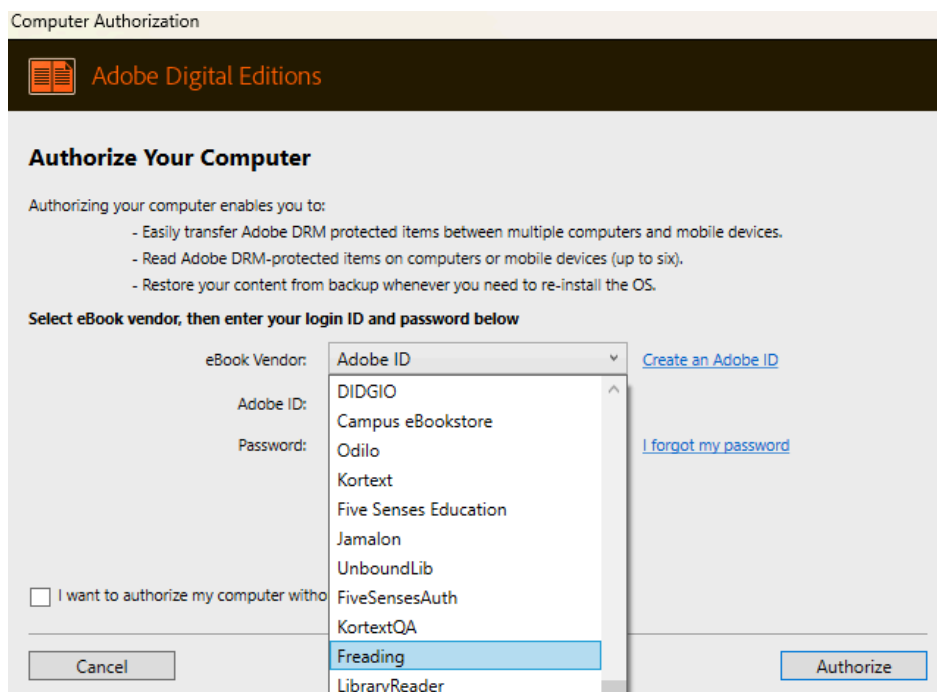

Your Adobe ID and password is the email address and password you used to Sign Up on the Freading Website. Select Authorize after entering your login information.

Select eBook vendor, then enter your login ID and password below
