Helpful Hints:

Spend some time talking to your child about elective classes they are passionate about, interested in, or align with their future goals! This information will help them make an informed decision about their elective choices. There is also an optional planning worksheet linked below to help visualize your choices. If you have any questions, please reach out to Justin Cantrell at jcantrell4@cherrycreekschools.org, the 6th grade counselor for the 2026-27 school year.
