

# Kiyu's Commissions + TOS | COMMISSION: OPEN

**Contact:** Please contact me through Discord as it is much easier for me to see stuff there. My discord is kiyunie but if you want to contact me on another site then feel free to shoot me a DM through Bluesky (<https://bsky.app/profile/92kyuni.bsky.social>).

## Notes:

- If possible, please provide a deadline if you need it by [x date].
- I do first come, first serve basis.
- Sometimes my motivation to draw will not be good and may take time, please be patient for me to finish the commission.
- Normally I can finish the commission ranging from 3 days to 2-3 months depending on my motivation and if I don't have artblock.

## Ordering:

- Please provide a reference of your character/self and what pose/facial expression you want me to do unless you want me to do the pose.
- Depending on what you'll get, the prices may change. I will give the final price after we discuss the commission.
- If you need it rushed there will be an additional fee.
- I can refuse a commission if I deem I cannot do it.

## Payment:

- I can accept Paypal or Kofi, whichever you prefer.
- Payment is done upfront but we can discuss this first if you can't do it upfront.
- Payment will be in USD.
- No refunds once you have paid, please consider that first.
- **FOR FILIPINOS LIVING IN THE PH ONLY:** I accept payment through Gcash, Maya or SeaBank.

## Process:

1. Discussing of the commission + Payment
2. I will show the sketch, changes are allowed.
3. Lines, minor changes are allowed (depending on the commission type)
4. Base colors, can change some colors if you want.

5. Final touches | Pose cannot be changed, colors can be altered if wanted.
