

8TH Grade POWER 2020

POWER is a one-day experience, designed to develop leadership skills and promote healthy choices for our eighth graders from both Lincoln and Emerson Middle Schools. POWER ultimately seeks to bring together middle school youth, community members, middle school staff, and high school leaders to develop trusting relationships as well as providing a framework for understanding one's self and others. The program also strives to teach young people the skills needed to develop healthy peer relationships, resist negative peer pressure, and promote responsible decision-making. _____

General TOPICS covered at POWER

Self – Esteem, Communication, Peer Pressure, Decision Making,
Positive Thinking, Alcohol and Drug Awareness
