eCard Registration

If you already have a LINCC library card you already have access to all available library services and do not need an eCard.

An eCard grants immediate access to online resources, including eBooks and eAudiobooks. You may also place up to three physical items on hold, but must upgrade to a full library card to check them out. eCards are available to all residents of the LINCC Library District (Clackamas County, Oregon), age 5 and up.
