As we reach for Miquella's hand for the first time on June 21st to whisk ourselves off into the Shadow of the Erdtree, many have realized they don't have a Tarnish character prepared. **How quickly can we get there??**

As stated in many interviews, our beloved overlord Hidetaka Miyazaki has informed us that to access the DLC, we will need to eliminate 1) Starscourge Radahn and 2) Mohg, Lord of Blood. Then, we will reach towards the Cocoon and grasp Miquella's hand.

Enraged by spoilers and the prospect that the Reduvia "COULD BE" the best option speed-wise, NuclearPastaTom has **BANNED ALL SOMBER SMITHING STONE WEAPONS** and **requires the Wretch starting class (RL1 starter)**.

Below, please make sure you have followed the rules before submitting :)

General Game Sequence Rules:

1. You must **DEFEAT** Starscourge **Radahn**
2. **Magnus** the Beast Claw, and
3. **Mohg**, Lord of Blood
4. The run is complete once you light the **Cocoon of the Empyrean** grace and quit out of the game.

DLC Unlock% Rules:

1. **Smithing Weapons only!** Exception: Serpent-Hunter only to kill Rykard, Lord of Blasphemy
2. Starting class **MUST** be **Wretch**. You can level your character
3. **Magnus** must be defeated! If you die or sever connection 3 times, you are not allowed to continue Varre's quest line. Magnus must die! Or else the run will not be accepted
4. Runs will be based off of IGT times. Console submissions will have a modified IGT due to black screen timings i.e. Dectus Lift
5. If you do not have a timer shown on screen, then you will need to show your IGT at the end of the run completion via the load character option in the main menu
6. LiveSplit is allowed
7. No quitouts at doors, at graces, or for boss dialogue (Mohg, etc.)
8. Radahn Stake Skip is allowed
9. Other than these rules, the Any% Glitchless speedrun rules will be followed

Submission Rules:

1. You will provide me with your Twitch username. You may also provide me with your Discord handle. We do need to identify you at some point.
2. You will also share either a Twitch highlight vod or a YT video link for your run. The YT video link can be unlisted.
3. Must be 18 or older to win
