NIYE 2024, participants left positive impressions in regards to the program, wishing the program can be continued to keep the great relationship between Japan and ASEAN

30 students from Brunei, Cambodia, Indonesia, Malaysia, The Philippines participated in the Youth Exchange Program organized by the National Institution for Youth Education (NIYE) under the Ministry of Education, Japan between December 10th to 16th in Tokyo. This program aims to broaden the perspectives of youth from ASEAN countries through direct interactions with Japanese students and deepen their understanding of Japanese culture.

The activities during the program include a variety of experiences such as outdoor activities, cultural exchange, and filmmaking. These activities are carefully designed to provide rich and meaningful experiences, foster cross-cultural collaboration, and enhance the creativity of the participants.

Throughout the program, the students demonstrated a highly positive attitude, adaptability, and excellent interpersonal skills. Their ability to connect with others and their proactive approach reflect the strong potential for success, both domestically and internationally. This experience has not only been invaluable for all students' personal development but also serves as a significant stepping stone for the next generation's future growth.

The program is being held from December 11 to 16 in Tokyo, Japan. Although brief, the activities are intense and meaningful, leaving an unforgettable impression on all the participants.
