Chris Gullace is a highly prolific singer, songwriter, and guitarist hailing from Brick, NJ. Born and raised at the Jersey Shore, Gullace's musical journey has been deeply influenced by rock legends like Jimi Hendrix, Nirvana, Sublime, and The Beatles. With an unwavering commitment to diversity in his music, he looks to set himself apart by ensuring each song he creates is distinct and unique.

Splitting his time between Asbury Park, NJ, and Nashville, TN, **Chris Gullace** has hit his creative stride,

crafting three albums within a single calendar year. His music reflects a blend of passion and drive, with each track offering a fresh perspective and sonic experience.

An artist who seems to now be truly finding his feet, **Chris Gullace** begins 2024 with brand new album 'It Feels Good To Be Alive' out February 29th. The lead single from the album, 'Chris Francis', is a soaring indie-rock anthem dedicated to Gullace's son. Evoking a sense of nostalgia reminiscent of early Foo Fighters, the track features driving guitar lines and a full-band performance that transports listeners back to the golden era of 90s rock.

Reflecting on the song, Gullace shares, *"I wrote this song to my only son Christopher. It's a letter to him. Letting him know I love him and I want him to always dream of something better in life."*

With its layered guitars and catchy singalong chorus, 'Chris Francis' showcases **Chris Gullace's** ability to infuse classic rock elements with his own contemporary twist in this soft rock slow burner. 'Chris Francis' serves as a testament to Gullace's musical prowess and heartfelt songwriting, offering a glimpse into his evolution as an artist.

In what is another fine body of work from **Chris Gullace**, this song in particular seems to truly define who he is as an artist and songwriter. As he continues to carve his path in the music industry, Gullace remains committed to creating music that resonates deeply with audiences and leaves a lasting impact.

**'Chris Francis' and 'It Feels Good To Be Alive' by Chris Gullace is set for release on
March 15th, 2024**
