

Red Clay Consolidated School District
New Teacher Mentoring Program Participation Agreement
2023-2024
Mentors
To be completed by September 9, 2023

Welcome to the Red Clay Consolidated School District's Comprehensive Induction Program for Educators. State legislation requires that novice educators must successfully complete a mentoring program in order to progress to a continuing license.

I agree to participate in the activities of the Red Clay Consolidated School District's Mentoring/Induction Program during the 2023-2024 school year. I understand that in order to be compensated for my role, I will participate in such activities as the following: engage in regular new teacher/mentor interactions, participate in various training events and workshops (typically beyond school hours to avoid interfering with instruction), submit the necessary documents in a timely manner, and fulfill other criteria as determined.

Compensation at the state rate will be awarded for a full year of mentoring service based on timely, appropriate, and documented completion of the program.

- I have read the responsibilities above and agree with them.**
- I agree to participate in the activities of the Red Clay Consolidated School District's Mentoring Program during the 2023-2024 school year.**
