

Kuri's Writing Commissions

(Includes Short Stories, Fanfiction, Articles, Paid RPs, Basic Worldbuilding, Character Profiles and Dialogues)

Greetings, Kuri here! Decided to earn money through commissions because I have personal expenses to work on, like my emergency and basic necessities, online class fees, and a new tablet and laptop. Hoping to make it work, especially during the pandemic right now.

The rules and everything else here may be subject to change without prior notice to the commissioners.

Basic Rules Before Ordering:

- I mainly use PayPal and USD is the main currency. **At least half of the agreed payment must be sent to me before I'll start working on the commission.** Invoices may be requested from me as proof if necessary.
- For NSFW works, the commissioner and characters must be at least 18+ years old, mainly due to Discord's ToS.
- Average turnaround time is around a few days to a few months depending on the length of duration of the project. May take longer depending on inevitable circumstances.
- I have the right to decline orders. No refunds in case the commission is canceled while I am still working on it.
- For all of the services except proofreading, additions / revamps must be provided before I am almost done with the commission (will send multiple WIP updates for this reason). **Will not accept additions / revisions once I submit the final product.**
- Anything else that is not within the 'what I will mostly write' and 'will not write' list, as well as additional rules, is negotiable.
- Topic warnings are a must (mainly to keep other readers safe when they read the content).
- Permission is required if planning to share my works for personal or commercial use. That is a must to ensure that we are on good terms.
- Communication must be open for questions, negotiations and so on. Mainly because to help me with keeping things on track and to make sure that we are on the same page. My main form of communication is via Discord since I am most active there, but I also have Twitter (DMs are preferred for inquiries).
- In case of tips, PayPal is acceptable.
- **AND DO NOT STEAL AND USE MY WRITTEN WORKS FOR AI-GENERATED PROJECTS!! IT WILL RESULT IN A PERMANENT BAN!**
