Programming and planning at Kids Club forms the cornerstone of each child's early learning journey. We're here to guide you until you're ready to make a decision. Once you've made your choice, we arrange everything with the child care provider.

Nursery focuses on safe sleep practices developed by qualified Family Health Nurses and Consultants. Our nursery is a safe and stimulating environment that encourages your child to explore and play and implements both structure and a nurturing environment with our exceptional caregiving and play routines. As a not-for-profit, we aim to keep fees affordable for families and have developed a fee system to maximise family access to available subsidies. Please visit our Kindergarten Fees Frequently Asked Questions page for more information. We've designed our indoor and outdoor spaces to ignite imaginations, nurture healthy minds and bodies, as children explore, experiment, play and learn.

Please discuss with the centre director for more information. Under the NQF child care services are assessed and rated against the National Quality Standards. The transition for children into child care is an important milestone for children and families.

This transition can be challenging and emotional for both the parent and the child. Therefore, we offer you this information to help the transition process.
