about me

I am a Mission High School graduate (Go Eagles)! I pursued my education and graduated with an Associate's Degree in Education and a Bachelor's Degree in Technology Management from South Texas College. I furthered my education and graduated with a Master's Degree in Education from University of Phoenix. I enjoy teaching students because it allows me to be part of their educational growth. Although it might be different I am looking forward to this new school year. Let's make it a great 2021-2022!
