# WORLD READ ALoud DAY!

Hi Friends,

On February 1, 2023, we will celebrate [World Read Aloud Day](#) with [LitWorld](#) . This is always such a special day for celebrating the power of literacy....and one of the libraries, schools, and students too. Over the past few years it has been so much fun coming together to read and collaborate together with other students, teacher-librarians, teachers, schools, and communities. And this year we are excited for even more of these special connections.

If you are interested in connecting with others on this day, please add your name, contact info, occupation, school, location, schedule, and ideas to the information below. To support our connections, let's group our schedules by time zones. If your timezone is not represented, please add it as a heading and we will update the table of contents. Look for others to connect with and sign up on their schedules too. Be sure to use your name and contact information when you sign up on others' schedules.

**We plan to celebrate throughout that entire week....January 30-February 3, 2023.**

Let me know if you have any questions on how this works. Have fun and get connected for World Read Aloud Day this year too. And remember to use #WorldReadAloudDay when sharing on social media, Shannon Miller @shannonmmiller

# Table of Contents for Time Zones

**TIP:** Just click on the time zone and it will take you to the bookmarked spot in this Google Doc.
