INFORMATION PREMIUM ADFREE APP COLLECTS

We want you to understand the types of information we collect as you use our mobile app

We do not collect any sensitive information from your device. It's only when you contact our support team through the "Contact Support" button in the app that we collect and send the following information via an attachment "log.txt" to the email:

1. **Google Advertiser ID (We use this to uniquely identify you)**
2. **OS Version (example: P(28))**
3. **Model (example: Galaxy S10)**
4. **Manufacturer (example: Samsung)**
5. **Brand (example: Xiaomi)**

6. **Device Rooted Status**
7. **Carrier (example: AT&T)**

We need the above information to debug and solve your issue. The email is sent using your device's default email client. The information is neither downloaded nor stored on any of our servers but stays in the email attachment itself.

CHANGES TO THIS POLICY

We change this Privacy Policy from time to time. We will not reduce your rights under this Privacy

Policy without your explicit consent. We always indicate the date last changes were published. If

changes are significant, we'll provide a more prominent notice (including, for certain services, email

notification of Privacy Policy changes).

QUESTIONS OR CONCERNS

If you have any questions or concerns regarding our privacy policies, please send us a detailed

message to **premiumappversion@gmail.com**. We will make every effort to resolve your concerns in

minimum possible time
