

Argument Writing CLEAR Graphic Organizer

Statements you could use to write a claim:

- The gray wolf is important to ecosystems and people.
- Removing the gray wolf from the endangered species list is a good idea.
- Removing the gray wolf from the endangered species list is a bad idea.
- Many people have strong feelings about gray wolves.

~ Self-designed claim: Write your own claim about the impact of the gray wolf on ecosystems and people.

Claim **E**vidence **A**nalysis **R**easoning

C laim:	Your claim statement that is supported by relevant reasons
E vidence:	Information which supports your claim
A nalysis:	Your interpretation or explanation of the evidence
E vidence:	Information which supports your claim
A nalysis:	Your interpretation or explanation of the evidence
R easoning:	Wrap-up of how the two pieces of evidence support your claim
