Tips:

- *You can get Steve's Brain by killing Steve.exe in Steve's Mind Dimension*
- *You can tame Herobrine by feeding it (cooked): Mutton, Beef, Pork and Chicken.*
 - *Herobrine always kills Monster Mobs i.e, Zombies, Skeleton.*
 - *You can hit a Mob to make Herobrine kill it.*
 - *Herobrine is rideable, by right-clicking.*
 - *Crouch to feed Herobrine, or else you'll sit.*
- *Herobrine throws invisible arrows to its targets, it's better to get out of the way.*
 - *You can breed Herobrine by feeding two of them.*
- *You can not hit Herobrine, this is due to them attacking each other when done so.*
