

Paper Template

Author(s) Name(s)

Author Affiliation(s)

Please provide the paper content with a length of at least one page and no more than two pages, including images, and do not paginate the paper. The manuscript should not exceed 250 words.

In each section, the first paragraph should not be indented, while all subsequent paragraphs within the same section should be indented. The page size should be A4, with a top margin of 25 mm and bottom, left, and right margins of 20 mm. For illustrations, vector graphics should be used instead of bitmap images to ensure high-quality output. All fonts used in the PDF file must be embedded, and the font for the main text should be Times.
