

Prosocal Design Network Fellow Listing

Position: Prosocal Design Network Library Fellow

Hours/Duration: 10 hrs/week, 10 weeks, Fall 2023. **Location:** Remote.

Compensation: \$40/hr

About the position

[Prosocal Design Network](#) is a nonprofit dedicated to restoring the internet's original promise for meaningful connection. We do so by bridging research and practice, bringing scholars and technology professionals together to share and co-create knowledge. Our signature offering is a public library of design interventions, curated by a team of social scientists who review recent research to identify, assess and rate the effectiveness of design interventions aimed at producing prosocial outcomes.

The Library Fellow would work with PDN's Program Director to support the work of the [Library Team](#), reviewing current research, preparing briefings for the library team and writing up digital interventions to be included in the PDN library. It is an opportunity to be immersed in the latest research on prosocial digital interventions, to hone your inference skills while working with a dynamic team, and to contribute to the responsible tech movement.

Responsibilities

The Library Fellow will work with PDN's Program Director to:

- Review recent research that test digital interventions and prepare briefs for library team discussions
- Draft and update entries in PDN's Design Pattern Library
- Develop efficient systems to track current relevant research

Qualifications

Candidates should have:

- A master's degree or equivalent in social science, CS or related field
- Completed coursework or experience in research design and causal inference
- Strong writing skills and facility in describing research for a general audience
- An interest in translating research to practice

To apply

Please send a cover letter, CV and writing sample to julia@prosocaldesign.org by September 18, 2023.
