

Thank you again for confirming your attendance to **Spalding University's Health Science Preview Day** on Tuesday, March 26.

Our admissions team and science faculty members are looking forward to spending the day with you and your students. Due to the size of the event, we are moving the beginning and conclusion of the day from the Egan Leadership Center (901 S Fourth Street) to the Columbia Gym (824 S. Fourth Street). Please update any reserved busses on this change and see the attached campus map.

Location for Pickup and Dropoff

Columbia Gym 824 S. Fourth Street, Louisville, KY 40203

Marked by the yellow box and arrow on attached map

Bus Parking

College Center 812 S. Second Street, Louisville, KY 40203

Marked by the red box and arrow on attached map

Tentative Itinerary

9:30am – Arrival and welcome

10:15am – Admissions presentation

10:45am – Campus tour/Career Design Center

11:30am – Major specific breakout session

12:30pm – Pizza lunch

*Students will be split into 2 tour groups. We request at least one chaperone attend each tour.

*Please let us know if there is any need for accommodations for accessibility for the campus tour (no-stairs tour, wheelchair access, elevator access, etc.).

**Please let me know if there are any dietary restrictions to accommodate as soon as possible.

To ensure the day runs smoothly, I am asking you to [share this registration link](#) with your students that plan to attend so they may choose their breakout session in advance. The breakout session will be a hands-on classroom experience led by faculty from the program. Students will answer this question specifically under the "Anticipated Program" field. Please have students fill this out by Friday, March 8. I understand this is not an easy ask to request all students to submit this form, but the closer we can get to an accurate count of students for each session the better our faculty can plan their activities.
