

*\*Whereas,\** one of the main roles of the State Attorney General is to defend the State in a court of law when a case is brought against it;

*\*Whereas,\** the Attorney General has not defended the state in the 3 cases brought against it during his tenure, being *\*In re: SB-03-01, "Sierra Universal Healthcare Act"\**, *\*In re: Executive Order #14, The Hall of Distinguished Sierrans\**, and *\*In re: Executive Order #12: The Sierran North American Union\**;

*\*Whereas,\** in the first case, the Governor defended the state, and in the latter two, the Vice President of the United States acted as the defence;

*\*Whereas,\** the Attorney General is the former President of the United States, and should therefore be held to a higher standard in his role;

*\*Whereas,\** such action shows a failure to serve in the role required of him;

*\*Therefore,\** the Great Assembly of Sierra moves that:

The Attorney General for the State of Sierra, /u/Nonprehension, is hereby impeached.
