To Whom It May Concern,

It is my pleasure to write a testimonial on behalf of Sara Brown. Mrs. Brown lived in Jacksonville for a few years and was very instrumental in assisting our community in starting a girls high school program. She did an outstanding job in researching, planning, and then serving as a consultant to their principal. Mrs. Brown would be a great asset in any girls high school.

If you have any further questions, please contact me at 904-262-3565.

Sincerely,

Rabbi Yaakov Fisch
