

## Privacy Policy Nursery ABC Learning Kids

Last modified: SEP 14, 2018

This Privacy Policy applies to all of the products, services and websites offered by Nursery ABC Learning Kids. Sometimes, we may post product specific privacy notices to explain our products in more detail.

If you have any questions about this Privacy Policy, please feel free to contact us at [soufiane.azhari.dev@outlook.fr](mailto:soufiane.azhari.dev@outlook.fr)

### Information we collect and how we use it

We may collect the following types of information:

Information you provide – When you sign up in our products, we ask you for personal information, such as name, email or zip code. We may combine the information you submit to provide you with a better experience and to improve the quality of our products.

Location data – We offers location-enabled services and products. If you use those services or products, Nursery ABC Learning Kids may receive information about your actual location or information that can be used to approximate a location.

Crash and usage data – If you use our android products, Nursery ABC Learning Kids may receive anonymous crash and usage data of your android device and apps.

Other sites – This Privacy Policy applies to Nursery ABC Learning Kids services, products and websites only.

In addition to the above, we may use the information we collect to:

Provide, maintain, protect, and improve our services and develop new services; and  
Protect the rights or property of INFOLIFE or our users.

If we use this information in a manner different than the purpose for which it was collected, then we will ask for your consent prior to such use.

Nursery ABC Learning Kids processes personal information on our servers in the United States of America and in other countries. In some cases, we process personal information outside your own country.

### Information sharing

Nursery ABC Learning Kids don't share any personal information.

### Information security

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These include internal reviews of our data collection, storage and processing practices and security measures, including appropriate encryption and physical security measures to guard against unauthorized access to systems where we store personal data.

We restrict access to personal information to employees, contractors and agents who need to know that information in order to process it on our behalf. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.
