Mrs. Patricia Royal, Ed. S.
Superintendent of Schools

Dear Pawtucket School District Students, Families and Community,

I am honored to serve as the Superintendent of Schools for the Pawtucket School District. As a dedicated instructional leader with a focus on student achievement, I am committed to ensuring that every student in our district receives the highest-quality education and opportunities to thrive.

Our district's vision is "Continuously improving educational excellence and global citizenship for All, Together, every student, every day. "This vision is our testament to ensuring our students have an exceptional learning environment that empowers them to succeed. This vision emphasizes fostering a culture where every student is valued, respected, and empowered to reach their full potential. We strive to provide a dynamic educational experience that prepares our students to become future leaders, change agents, and global citizens.

I am relentlessly determined to close the achievement gap and create opportunities for all students, ensuring they are college, military, or career-ready upon graduation. High-quality teaching is central to student success, and what happens in the classroom significantly impacts student growth. By working together—families, educators, and the community—we can make significant strides in preparing students for the future.

Our **district goals** include:

- **Enhancing academic achievement:** We will continually focus on increasing student performance by providing an aligned curriculum, motivation, and reinforcement in every classroom.
- **Ensuring safety and well-being:** We are committed to creating a safe, inclusive, and respectful environment for every student, staff member, and family.
- **Promoting equity and access:** Our district will provide every student with the resources, support, and opportunities they need to succeed.
- **Building meaningful relationships:** We believe in fostering strong relationships with all stakeholders, ensuring that all voices are heard throughout the educational process.

As your Superintendent, I promise to lead with integrity, respect, and a shared vision for our district's success. Together, we will continue positively impacting our students' lives and future. Thank you for your continued support and partnership in this journey. Let's work together to ensure that every student excels every day.

Sincerely,
Patricia Royal, Ed. S.
Superintendent of Schools
