

Privacy Policy

This Privacy Policy was updated in May 2023.

Web3 Antivirus Inc. (collectively referred to as “W3A”, “we” or “us”) has developed this Privacy Policy that governs the collection, use, disclosure, transfer, storage, and protection of your personal information shared with us.

You may be asked to provide your personal information anytime you are in contact with us. It can be used in conjunction with other information to provide and improve our Service, content, and advertising. To discover information about Service please read Terms & Conditions placed on our Website <https://web3antivirus.io/> (hereinafter - Website).

You may be asked to provide some personal information if it is required for the Service provision, but you hold the right to refuse to provide such information at your sole discretion. In this case we would not be able to provide you with a response to any of your requests which requires such information.

1. Personal information you provide to us and we collect

When you use our Website we may receive or collect personal information about you.

1.1. Personal information you provide to us voluntary:

By using the Website and our Service you may provide us with voluntary information such as your name, email address, or other details, necessary for processing your inquiries or issues; and also any information you submit to us via email, financial information or other.

1.2. Personal information that we collect automatically:

When you use our Website and our Service, we may also collect certain information automatically from you and/or your device which may be considered personal information under applicable data protection laws, such as:

- Data and analytics about your use of our Website or Service;
- Other information that we may collect which is not specifically listed here, but which we will use in accordance with this Privacy Policy or as otherwise disclosed at the time of collection.

1.3. Personal information that we obtain from third-party sources:

- Social media information. We may maintain pages on social media platforms, such as LinkedIn, Twitter, and other third-party platforms. When you visit or engage with our pages on those platforms, the platform provider’s privacy policy will govern your interactions and their collection, use, and processing of your personal information. You or the platforms may provide us with information such as your biography, education, and professional experience. We will handle this information in accordance with this Privacy Policy.

- Publicly available blockchain information.

When you interact with an advertisement and/or visit our Website, our advertising and analytics service providers may automatically log information about you, your device, and your interactions with our Service, such as:

- Online activity data, such as the ad network and advertising campaign you interacted with, pages you viewed, the time you accessed our Service, how long you stayed, and whether you opened our marketing emails or clicked links within them.
- Device data, such as your device type, operating system, browser type, screen resolution, and general location information such as city, state, or geographic area.

2. How we use your information

We collect your personal information to improve our Service and enhance our business operations. Additionally, we utilize this information for security purposes, analytics, and research to ensure the best user experience. Here is a breakdown of how we use your information:

To provide and improve our Service:

- Developing, delivering, and enhancing our Service;
- Protecting against fraud, ensuring security, and resolving technical issues;
- Improving the safety and security of our website;
- Offering customer support and addressing your inquiries.

To market our Service:

- Displaying advertisements about our company and the Service we offer;
- Analyzing the usage of our website and Service.

To correspond with you:

- Responding to any communication we receive from you;
- Contacting you when necessary or requested;
- Sending you relevant information about our Service.

To comply with legal requirements:

- Abiding by applicable laws, regulations, requests, and legal processes;
- Protecting the rights, property, or safety of you, Web3 Antivirus, or another party;
- Enforcing the Terms and Conditions that govern our Service;
- Resolving any disputes that may arise.

3. How we may share your information

We may share your personal information with:

3.1. Advertising Partners. We may engage certain advertising partners (ad networks) assisting us in delivering advertising to you and allowing us to provide you with Website and Service and in these cases we may share your personal data just for the purposes of information provision to you. In such a case we may allow advertising partners to track impressions, clicks, or other advertising indicators via tracking providers for the sake of measuring advertising performance or etc.

3.2. Analytics Providers. We may also acquire the Service of analytics providers in order to provide Service for analysis and research purposes. The device data we share with these providers will be encrypted. We could also collect data for benchmarking or otherwise.

3.3. Cloud Service, Hosting, and other Providers. We could store personal information on servers provided by our cloud service or hosting providers which share to us the necessary hardware, software, networking, storage etc. engaged in order to maintain our Website.

3.4. Other Providers. We could engage other partners and/or providers in the future or change existing partners and/or providers to improve user experience when browsing our Website and the quality of our Service.

3.5. Legal Rights for Disclosure. In any case, we reserve the right for disclosure of your personal information and data (including personally-identifiable data) in accordance with law, legal processes, litigation, and/or requests from public and state authority within or beyond your country of residence.

We may also disclose your information if we decide that such disclosure is necessary or appropriate for national security, law enforcement, or other purposes of importance for the general public.

We may also disclose your information if we decide that such disclosure is reasonable to ensure our Website's operation and provision of Service.

3.6. Transferring Information to Third Parties. In the event of a reorganization, mergers, acquisitions, transferring data to the affiliated parties and in other cases we may transfer any or all information (including personally identifiable information) we collect to the relevant third party. For any additional questions and issues regarding information collection and usage, please email us at support@w3a.tech.

4. Data Collection and Opt-Out

Our Service uses cookies and similar technologies, such as pixel tags, web beacons, clear GIFs, and JavaScript (collectively referred to as "Cookies"). Cookies are text files that websites store on a visitor's device to uniquely identify their browser, remember preferences, and enhance navigation and functionality. We use cookies on our Website and Service to gather information that helps us understand user activity and patterns.

The information collected through cookies and other technologies is typically considered non-personal information. When non-personal information is combined with personal information, we regard the combined data as personal information protected by this Privacy Policy.

You have the option to accept or decline Cookies by adjusting your internet browser settings. Most browsers allow you to disable the Cookie feature, preventing your browser from accepting new Cookies. Depending on your browser's capabilities, you may also be able to choose whether to accept each new Cookie. Deleting existing Cookies is also possible, but please note that this may require you to manually adjust preferences on subsequent visits and may affect certain Services and functionalities.

To opt out of marketing communications, you can follow the instructions provided at the bottom of our marketing emails. However, please note that even if you opt out of marketing communications, you may still receive service-related and non-marketing emails.

5. Children's privacy

Our Website does not address anyone under the age of 16 ("Children"). When we collect personal information, we do not know the age of its visitors. We do not knowingly collect personally identifiable information from children under 16. If you are a parent or guardian and you are aware that your Children have provided us with Personal Information, please contact us regarding this matter. If we become aware that we have collected Personal Information from a child under age 16 without verification of parental consent, we will take steps to remove that information from our servers.

6. Consent to transfer to other countries and processing of personal information

By accessing the Website and using Service and providing personal information through them, you agree and consent that we could collect, process, and transfer such information in the country of our locale, your locale and other countries. Other countries may have different privacy laws and provide different levels of protection of personal information. You agree that this Privacy Policy will apply and you agree to the transmission and processing of your personal information in any country.

7. EU and EEA Users' Rights

If you are an EU or EEA- based visitor of our Website or user of our Service, you have certain rights in connection with your personal information and how we handle it in accordance with General Data Protection Regulation ("GDPR"). Some of these rights may be subject to some exceptions or limitations. You can exercise these rights at any time by following the instructions below or sending us relevant requests to support@w3a.tech.

Your rights include:

- a) Right to withdraw your consent (e.g. you may withdraw your consent to show personalized ads to you);
- b) Right to access your data (e.g. you may check what data we store about you);
- c) Right to correct your data (e.g. you can contact us if your email address or other information has been changed and we should replace it);

- d) Right to have your data deleted (e.g. you can contact us if you want us to delete certain data that we have stored about you);
- e) Right to restrict processing of your personal information;
- f) Right to take your data with you to obtain your personal data and receive it in a structured, commonly used and machine-readable format data if you want to upload it to another service;
- g) Right to object how your data is handled, if you do not agree with any user analytics procedures as described in this Privacy policy.

In all cases described in the subclauses a - g of this clause you may send us a request 50 days prior to support@w3a.tech.

8. Additional California consumers rights

You can find additional information about California consumers rights under the California Consumer Privacy Act ("CCPA") below.

Subject to certain restrictions, the CCPA gives California consumers the right to request details about the categories or specific items of personal information we collect (including how we use, disclose, and may dispose that information), request that their personal information be deleted, opt out of marketing offers, and not be discriminated against. for the exercise of these rights.

In all cases you may send us a request 50 days prior to support@w3a.tech.

9. Retention of your personal data

The privacy and security of your personal data is important to us and we always pay special attention to ensure that we process your information lawfully in accordance with GDPR for EEA users, CCPA for California' consumers and other legislation. We store your information for as long as needed to provide you with our Service and Website operation. We may store the information longer, but only in a way that so it cannot be tracked back to you. We operate globally and we share your information with our partners just for the purposes stipulated herein, which may include a transfer of your personal information to any countries outside of your or our locale. Please check regularly for changes to our Privacy Policy.

10. Security

We may implement appropriate technical and organizational measures to protect the confidentiality, security, and integrity of the collected information, and to prevent unauthorized access and the use of information contrary to this Privacy Policy. Although we use commercially reasonable efforts to assure that your information remains secure when maintained by us, please be aware that no security measures are perfect or impenetrable. We disclaim all warranties and representations in connection with the security measures taken in order to protect your personal information.

11. Changes to our Privacy Policy

We will occasionally update this Privacy Policy as necessary to protect our users, furnish refined current information, and respond to legal and technical changes. The most current version of the Privacy Policy will govern our use of your information and will be available on our Website.

12. Contact us

If you have any questions about these Terms, please contact us via email: support@w3a.tech or 919 North Market Street, Suite 950, Wilmington, County of New Castle, Zip Code 19801, Delaware.
