READ THE FOLLOWING TEXT AND ANSWER THE QUESTIONS. PLEASE WRITE FULL ANSWERS AND CHECK GRAMMAR.

It's winter now. In winter, I like reading stories and doing crafts. But I don't think I'll do crafts this weekend. It's snowing now, so I'll go skiing with my family this weekend!

Spring will be here soon and I won't be able to ski. I think spring is a lovely season because animals and birds have babies in spring.

Summer is nice, too. In the summer, I go to an outdoor cinema with my friends. My family has barbecues in summer.

I love Autumn! The leaves are beautiful colours and I like going hiking in the countryside. There are delicious foods, too. I like pumpkins, apples and pears. Last autumn, I went on holiday to France. Autumn is usually a bit cold, but it was really hot on holiday. I went mountain biking and horse riding! Autumn is my favourite season!
