

Coconut Creek Hyundai

Dealership Services in Coconut Creek, Florida

<https://www.coconutcreekhyundai.com/>

About Our Florida Dealership

Our inventory at Coconut Creek Hyundai includes a wide variety of new Hyundai sedans, hatchbacks, and SUVs as well as used cars, trucks, and SUVs. We proudly serve residents in Coconut Creek, Fort Lauderdale, West Palm Beach, Boca Raton, and the surrounding areas. When it comes time to buy or lease a new vehicle, our sales staff is ready to assist you during every step of the buying process.

Contact our dealership with any questions about certain specifications for the vehicle you have your eye on. Our goal at Coconut Creek Hyundai is to give you quality customer service no matter the reason for your visit. To view our diverse selection of new Hyundai models and used inventory, you can shop online and utilize our search filters to find the car, hatchback, truck, or SUV that is perfect for you. Once you find your vehicle, schedule a test drive at our dealership in Coconut Creek, FL. At our dealership, we carry Certified Pre-Owned Hyundais so we can offer you high-quality vehicles at an affordable price. These vehicles go through an in-depth inspection to ensure they meet our high standards as a Certified Pre-Owned Hyundai, so you can enjoy your new car, hatchback, or SUV for years to come.

Wherever you are from, come visit our Coconut Creek body shop so that we can serve you to the best of our abilities.

6) Hyundai Owner Assurance

Our umbrella of services that make driving better

- America's Best Warranty
- Hyundai Complimentary Maintenance
- Blue Link
- Roadside Assistance
- Car Care Express

7) Hyundai Complimentary Maintenance

Maintenance is now included.

Keeping your new Hyundai running at its best requires regular care and maintenance. We encourage new owners to stay on top of it with Hyundai Complimentary Maintenance. Hyundai has you covered for normal, factory-scheduled maintenance intervals for 3 years or 36,000 miles (whichever comes first). Benefits include:

- Engine oil and oil filter changes
- Tire rotations
- Multi-point inspections
- Hyundai Genuine Oil filters & Hyundai Recommended Oil
- Extended Hyundai Protection Plans available for severe usage intervals or extended terms

LEGAL

The complimentary maintenance includes Hyundai-approved oil and oil filter change (except for electric vehicles and fuel cell electric vehicles) plus tire rotation at normal factory scheduled maintenance intervals for 3 years or 36,000 miles, whichever comes first. More frequent maintenance due to severe driving or conditions is excluded. Offer valid only for new 2020 - 2021 Hyundai models purchased or leased on or after February 1, 2020. See your Hyundai dealer for further details and limitations.

8) Brake Services

Schedule a Brake Inspection Today at Coconut Creek Hyundai.

When you press on your brake pedal, a highly complex system goes into motion to bring your car to a stop. That's why it is so important to have trained technicians, with the right tools and parts, to take care of your vehicle.

9) Hyundai Battery Services

Here are steps you can take to maximize your battery's health:

1. Don't overtax your battery

Avoid using power while the engine is off to ensure your battery maintains a full charge. Many after-market plug-in devices may continually tax your battery even when your car is not running.

2. Drive Smarter

The vehicle charging system is maximized when the vehicle is decelerating and coasting. Leave room between you and the car you are following in city driving. Avoid abrupt stopping and accelerating. You may even save some gas too.

3. Regular Maintenance

Battery performance can be impacted by corrosion, loose connections, dirt, grease buildup on the battery, and more. Many of these conditions can be prevented by routine battery inspections and maintenance. Early detection of potential issues saves you time and money.

10) Hyundai Oil Changes

Why regular oil changes are so important

Getting regular oil changes is easy and can extend the life of your car. Engine oil is one of the most important fluids in your car. It helps keep your engine running smoothly and lubricates engine components. As you drive, oil breaks down and is exposed to contaminants reducing its lubricating properties. Many people may be unaware of when they should get their oil changed.

Check your owner's manual to see what grade and viscosity of oil and change frequency your vehicle needs and occasionally confirm that the oil is at its optimal level.

Based on all your combined driving habits, you may need to change the oil more frequently (every 4,500-5,000 miles may be more appropriate than the normal 6,000-7,500 miles).
