Pictures will be taken in the lunchroom. **Please ask students if they have a picture envelope with them before you come down.** Have them check their backpack! At your assigned time, walk students down the hall to the lunchroom, entering through the first set of double doors. You will receive picture name cards from the photographer to pass out once you are in the lunchroom. *Every student gets a picture, even if they are not purchasing photos.* When your class is finished, exit the lunchroom through the last set of double doors, turn right, and exit the building through the doors by the bathrooms. Walk your class around the side of the building and then enter the building again through the doors by the dots. Remember your badge so you can get back in the building!
