

World Famous Apple Cider: 2 bits per cup, 40 bits per keg.

Our World-Famous Applefamily cider is renowned throughout the world for it's strong, sweet taste and comforting texture. Ponies come from around Equestria for just a taste of the tastiest drink in the country. Best come fast, it's first come first serve.

Tasty Apples: Half a bushel, 4 bits. Full Bushel, 6 bits For A Limited time!

Our apple trees are treated with the highest standards of love and care. Each apple is bucked, and then checked for bruising and imperfections. Any apple that doesn't meet our standards is tossed to our wildlife, only the best for our pony companions.

Homemade Apple Pie: 24 bits, feeds four.

The Homemade Apple Pie is baked by the one and only Granny Smith, who has put years in perfecting the art of baking apple pie. Your taste buds will melt along with whatever ice cream you eat this delicious, savoury treat.

Zapapple Jam: 6 bits per Jar.

The rare and elusive Zapapple, sold right here at Sweet Apple Acres. You won't find this delicacy in just any farm, these are highly seasonal, and require special storms and conditions. We take these special, rainbow-colored apples and turn them into jam. Like the cider, this leaves our pockets fast; hurry up and claim yours!
