KNIGHTS OF COLUMBUS®

COUNCIL #8081

Holy Trinity Catholic Church

- o Thanks to all who help setup the July 4 float and those who walked in the parade. Dave Kuzusko has finally broken the code on how to assemble the float in record time. Thanks Mark Hickey! Thank you Lyndon for providing extra candy.
- o Deacon Mobley made a request for support to spread mulch on Saturday July 12. Signup Genius is out.
- o Two State meetings are coming up. Let the WGK know which meeting you will attend so he can inform the state.
- o Go to the Council website to update your profile.
- **Bad**
 - o Due to the Supreme's website being down, emails could not be sent out. WGK will work on creating an internal council email list to avoid this happening again. Meanwhile Eduardo has posted all of the minutes and other information on the council website.
 - o We have the same 50-60 Knights carrying the load for the council. We have a large membership and we need more Knights to become involved. WGK encourages us to reach out to our brother Knights to commit to at least one event during the year.
- **Ugly**
 - o Recruiting video done. Trifold work in progress
 - o Deacon Mobley's project. TBD//Windows are back up and outside of building painted
 - o Alcohol paperwork being worked by Bill Pope and Luis Ariza
