

Christmas Tree Towing Service

Help Recycle Old Christmas Trees

Problem-

- What happens to Christmas trees after Christmas? Well, your Key Club can help make sure that these old trees get recycled after Christmas passes.

Solution-

- Your Key Club can drive around your community and pick up people's old Christmas tree and bring them to a recycling center. These trees can be used for wood products or cut up and placed into compost piles. It is your club's choice what happens to these trees after collection.

Supplies-

- Transportation (preferably a large truck), Volunteers

Difficulty-

- Hard

Time-

- 1 Hour per Tree

Cost-

- \$20 for Gas for Transportation
