

RICHMOND-BURTON COMMUNITY HIGH SCHOOL ROCKET UPDATE 10/6/22

☐ **Semester Grades**

- ☐ Beginning this year, we are no longer on the four quarter grading system. To make things easier on students, we have transitioned into two semesters. What this means is that grades will not “start fresh” in mid-October as in years past. Using a semester system gives students more time to catch up on missing work as well as more of an opportunity to utilize our retake process. As we are now moving into October, please take the time to check on your student's grades in Schoology and Skyward and let us know if you have any concerns.

☐ **Athletic Hall of Fame**

- ☐ Our Athletic Hall of Fame is up and running. Take a look and submit your favorite Rocket heroes!

☐ **October 12th - No School for All Seniors**

- ☐ Wednesday, October 12th will be a non-attendance day for all Seniors while the PSAT is given in the building to all Juniors, and Freshmen and Sophomores who previously registered.
- ☐ Seniors enrolled at the Tech Campus have the option of attending Tech on this day if they choose to do so, but will not be required.
- ☐ We encourage all of our Seniors to utilize this non-attendance day to explore a college or other postsecondary opportunity. McHenry County College will be hosting an event on this day for all local high school Seniors:
