

Agenda 2024-2025

Timber Trail Elementary Accountability Committee (SAC)

Working agreements. To create a safe environment for all we will:

Participate in a way that is comfortable to you. Be respectful of others. Speak and listen with positive intent. Monitor your technology. Hold each other accountable to the SAC bylaws set forth by Douglas County School District. Value diverse perspectives by asking questions to better understand, and learn from one another.

Topics	Outcome. (Decision or Discussion)	NOTES
Welcome/Introductions	Evan Bass- Erik Pedersen- Aldo Mundaca- Mandy Leensvaart Diane Fulwider- Leah- Emily Fera-PTO President, 2nd grader and 4th grader	
Staff update	Diane has enjoy the new energy that Rob and	

(Teacher rep.)	Michael have brought to the school Love the PBIS. Loved the student of the week and enjoyed how quickly the system was set up. MTISS-Likes how the school is moving forward much sooner for the students. Data driven decision making. Really loves that assemblies are back. Students are so excited. PTO is so appreciated, loves how SPED is included.	
DAC update		
Community update	Erin Kane is doing live webinars on 5A for this upcoming election. If 5A passes, taxes will not increase. For TTE would use it for building repairs and upgrades. Also, the district is growing in some areas and also reducing in others.	
Key agenda item:	SAC Roles	Complete the form if you are interested in specific role Aldo will attend the October DAC Meeting.
Key agenda item:	Ramping Up Positive Behaviors and Support (PBIS) with Pack Pride	Pack Pride Tickets and Pack Pride Pennies are up and running! Students will be taking home the pennies. Students are loving them. Student of the week has been a huge success as well. Students get a classroom TImber, a certificate, and a picture sent home.
Key agenda item:	Reengaging the community with Watch Dog Dads and Moms of Marvelous Students	We will sending communication out soon for parent volunteers for breakfast and lunch/recess support Breakfast has been a huge success, 94 students accessed it on 9/26
Key agenda item:	A quick glance at CMAS and iReady Data and School Wide Goal to Promote Student Growth	The SAC looked at the 3 phases of close reading and how it is broken down. Also looked at the reasoning and modeling in mathematics and how it is broken down. School is focusing on common formative assessments and data to meet the needs of students. TTE is doing such a great job exceeding the state and

		district results in both reading and math.
Key agenda item:	Partnering with PTO- Upgrading the gym floor	The Timber Trot is up and running and is the fundraiser for the new gym floor. The cost of the floor is \$42,600
