

Privacy Policy

Dessert Dream Stack ("the Game", "we", "our", or "us") respects your privacy and is committed to protecting your information. This Privacy Policy explains how information is handled when you use the Game.

1. Information We Do Not Collect

The Game does not require users to provide personal information. We do not knowingly collect personal data such as names, email addresses, phone numbers, or precise location information.

2. Automatically Collected Information

To ensure proper functionality and enhance the user experience, limited non-personal information may be collected automatically, including:

Device type and operating system information

Anonymous gameplay statistics and general usage data

Crash reports and performance diagnostics

This information is used solely for technical and analytical purposes and cannot be used to identify individual users.

3. Third-Party Services

The Game may use third-party services, such as advertising networks or analytics tools, to support gameplay and improve performance. These services may collect non-personal information in accordance with their own privacy policies. We do not control or assume responsibility for their data handling practices.

4. Children's Privacy

The Game is intended for a general audience and does not knowingly collect personal information from children. If any personal information is discovered to have been collected unintentionally, it will be removed promptly.

5. Data Security

We take reasonable measures to protect information processed by the Game from unauthorized access, alteration, or disclosure. However, no method of data transmission or storage can be guaranteed to be completely secure.

6. Changes to This Privacy Policy

This Privacy Policy may be updated from time to time to reflect changes in the Game or improvements in our practices. Continued use of the Game indicates acceptance of any updates.

7. Consent

By downloading and playing Dessert Dream Stack, you agree to this Privacy Policy.
