

Design the Sign

Our sign along the driveway is in need of repair.

NMHS is holding an ART Contest for our students to design a new sign. Please design a sign and give your submission to a teacher or staff member by September 8, 2023.

All designs will be voted on by the students, faculty/staff, and visitors to NMHS, the following week. The design receiving the most votes will be painted on our sign.

All Designs must include the following:

“Welcome to Navajo Mountain High School”

Mention of the “Jaguars”

Designs should include school colors, but may have other colors as well.

Designs must be school appropriate and free of vulgarity.

Students are encouraged to incorporate their heritage and traditional designs in their artwork.
