

# Beck Middle School

Cherry Hill, N.J.

Dear Parents and/or Guardians,

The BEC (Beck Environmental Club) will once again be selling fall outdoor plants until Monday, September 29, 2025. We are offering hardy field grown chrysanthemums purchased from the Circle Garden Center in Berlin.

Pick-up will be **Wednesday 10/1/25 from 3:15 until 4:30.**

We hope you can help support this endeavor as the profits will be used to purchase plants, shrubs and other materials to enhance our scenery around the school grounds.

Please use the order form at the bottom of this page and return it to your child's advisor in a sealed envelope with cash or a check payable to Beck Middle School. Please remember to mark your calendar for **October 1st** and arrive as early as possible so you can get the colors that you desire the most. You may pick up your order in the front parking lot near the entrance to the courtyard.

Please advise your child(ren) that this is **not a door-to-door fundraiser**. Thank you for your support in this activity.

Sincerely,

Gary Haaf  
BEC Advisor
