

Staff Spotlight - Joseph Kruse

Hello, my name is Joseph Kruse.

November marks my 2 year anniversary with Chandler Dogs 24/7. Yep that's right I've been here since the beginning. Before this I was an old school mechanic, mainly motorcycles. Growing up in my house was always a zoo. My father collected exotic animals from sugar gliders, flying squirrels, monitor lizards, chameleons, 8 ft pythons. You name it, he had it. My mom, she basically rescued anything helpless. So yeah my house was packed full with animals. I guess it was inevitable that I would arrive here in life. I really do enjoy my job. Its where I met my Queenie baby. She's really been an inspiration for me to keep doing what I'm doing. With the help of my lil sis Erica, and Carlos, Queenie has come full circle into a confident healthy and well mannered pup. I have Chandler Dogs 24/7 and my staff to thank for the good things I have go
