

Teacher Laptop

How to Login:

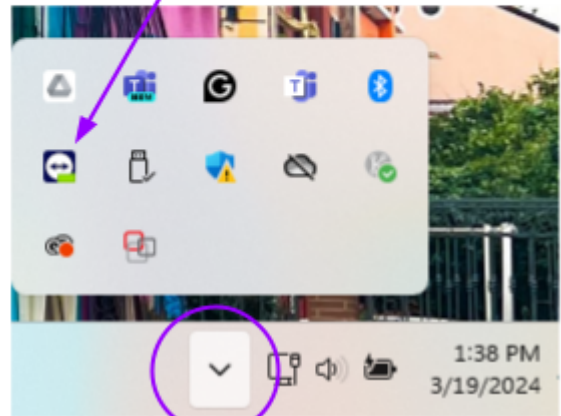

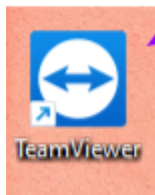

- Username: first part of email.
- Password: issued by Tech Dept.(NEVER GIVE OUT!)

Use Chrome as Internet

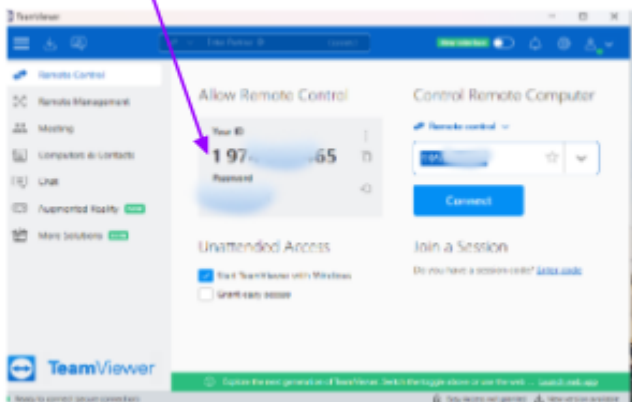

Teamviewer

This allows the tech dept to access your computer remotely.

You will need to locate the TeamViewer icon from your desktop, taskbar, search, or the hidden icons menu

Be sure to screenshot this page, or send your ID number (and password if there is one listed)

*To screenshot hold down the windows, shift, and S key.

Antivirus: ESET (you may have a pop up every once in awhile)

Software loaded on laptop:

- Microsoft Office

- VCast Sender

- MyViewBoard Whiteboard

- VLC media player
