ACTION REQUESTED: That the Academic Senate approve Administrative Services Credential Clear Induction Program-Add a hybrid version of an existing on-ground program

BACKGROUND INFORMATION:

At its meeting on April 28, 2022, CAPR met and reviewed the proposal from the Department of Educational Leadership to add a hybrid version of their existing on-ground Administrative Services Credential Clear Induction Program. As stated in the linked Curriculog proposal, this program is offered as hybrid--connected with the WASC-approved MS and EdD degree programs. They are requesting WASC approval for distance education. Accordingly, CAPR approved this application with unanimous consent and sends this to the Academic Senate as an Action Item.
