Survey Workshop Day!

If you want to know your group number:
https://canvas.wisc.edu/courses/390344/groups#tab-47248
Instructions: Students should sit with their survey group.

- Segment 1 (10-15 minutes):
  1. Incorporate the feedback received on Group Assignment 2.
  2. Refine your survey and program it into Qualtrics.
  3. Preview your survey to ensure it is operational in Qualtrics.
  4. How to send out preview and send out actual survey.
     Distribution-> Web->Use Anonymous Link
  5. Input your Anonymous Link in this google doc:
     https://docs.google.com/document/d/1StD_97VvnqHKqM-ÍdW41h3IX2m1ReM2uj0MbtZA12y90/edit?usp=sharing

- Segment 2 (15 minutes): Peer Feedback Round 1

Take each other's surveys and offer feedback on the other group's survey.
Refine your survey by adjusting the programming in Qualtrics.

- Segment 3 (15 minutes): Peer Feedback Round 2

Repeat the process of taking each other's surveys and offering feedback.
Further refine your survey programming in Qualtrics based on the feedback received.
Í
Review Critical systematic Review to give meaningful feedback

- Remaining Time + post-section:

Arrange a meeting as a group to further improve your survey by incorporating the peer feedback.
Download and load the testing data you received during section, load it into R and see if the data can be used to test your group and individual theories.

Pairing:

Your Group	Peer Feedback Round 1	Peer Feedback Round 2
309-G1	309-G2	309-G3
309-G2	309-G1	309-G4
309-G3	309-G4	309-G1
309-G4	309-G3	309-G2
310-G1	310-G2	310-G3
310-G2	310-G1	310-G4
310-G3	310-G4	310-G1
310-G4	310-G3	310-G2
