

Good evening BBES Families!

We had an amazing first day with our students! They were excited to be back in school and were eager to meet their new teachers and classmates. We are looking forward to another great day tomorrow!

I want to thank you for your patience during our arrival and dismissal today. We will continue to improve our procedures each day this week. Please continue to follow all travel patterns and feel free to reach out to me if you have any questions. Thanks

Lastly, if you have not yet completed your Family File, please take a moment to do so. We are currently at 49% completion and we need your help to reach 100%.

HCPSS utilizes Family File for parents/guardians to complete emergency information. All parents/guardians must verify and/or update information for each child each school year. Parents/guardians can access their student's Family File by logging into [HCPSS Connect](#), selecting the "More Options" tab on the left and then selecting "Family File" in the center column.

Please contact the office if you need assistance. Have a great night and we look forward to seeing our students' smiling faces tomorrow morning. Doors open at 8:30.
