Meeting Agenda		
Lead	**Item**	**Notes**
	Introductions of attendees and Great Old Broads for Wilderness (4 min)	
	Personal Connections (2 min) Opportunity for constituents and/or Indigenous participants to share	
	Thank yous (1 min) if appropriate, for existing work on public lands related issues. Ask members stand on BAAJA	
	Talking Point #1: BAAJA has some positive points for climate, but they are outweighed by the loss of possible court actions and protections for the environment (5 min)	
	Talking Point #2: The effects of BAAJA would be far reaching, including fast permitting with limited public comment, even for data center development on public lands (5 min)	
	Talking Point #3: Although data centers must pay for their electricity use, the bill provides minimal “affordability” for ratepayers (5 min)	
	Next Steps & Thank you: (1 min) changes needed before passing the bill
