

The title should be in arial, 12 pt, bold, sentence case (only capitalise the first letter of the first word); maximum length of two lines

LAST NAME, FirstName MiddleName initial¹, LAST NAME, FirstName MiddleName initial²,
LAST NAME, FirstName MiddleName initial³ & LAST NAME, FirstName MiddleName initial¹

¹ Department Name, Institution Name. City, State/Province, Country.

² Department Name, Institution Name. City, State/Province, Country.

³ Department Name, Institution Name. City, State/Province, Country.

E-mail address: corresponding_author_email@email.com

The abstract should be formatted in arial, 11 pt font, with single line spacing, no indentation, and left-aligned text. It must consist of a single paragraph that includes the following elements in a cohesive structure: introduction, aims, materials and methods, results, discussion, and conclusions (without the use of subtitles to separate these sections). Tables, figures, and references should not be included. Please avoid the use of symbols and unnecessary abbreviations whenever possible. Abstracts that do not follow these formatting guidelines will not be considered for review.

Keywords: Keyword1, Keyword2, Keyword3.

Guide – remove this box before submitting!

- Word limit 500 (including title, authors, affiliations, and abstract).
- This template has been designed using the specified font, as outlined in the instructions. For convenience, simply replace the placeholder text in each section with the content of your abstract and remove any excess.
- Please refer to the webpage for detailed submission instructions (<https://lasoverelcov2025.lasove.org/envio-de-resumenes/>).
