Terms of Service/Important Information

- Payment through PayPal only. **I do not accept cryptocurrency as payment.**
- Full payment is due up front. I will send an invoice through PayPal to you.
- I do not take short-notice commissions; I will give a time frame for completion of each commission once details are provided.
- File is saved as .PNG as default. Please specify if you want the commission as a different file type.
- Please provide visual references, especially for more complicated designs.
- Fees may apply to complex designs.
- I retain the rights to all my work.
- I have the right to refuse or cease a commission for any reason.
- You cannot submit commissions into AI learning software, or in any way create AI images using your commission.
- Commissions are for personal use only. You **cannot** use your commission for monetary gain. You cannot sell or reproduce the commission on any products or as prints nor can you advertise using

your commission. This includes not being able to use the commission as an NFT or anything similar.

- You must credit back to @gnatryan on Twitter or Instagram if posting publicly on any platform.
